

Dear Friends

3 great answers to prayer

1. Mrs A had lots of people to forgive, the last one was especially difficult but she testified to having no remaining anger or grudge.
 2. Mr Ma had a particularly difficult financial problem that was resolved in answer to prayer.
 3. Mr Mi had a situation causing stress and depression resolved in answer to prayer.
- I really miss being able to pray with the laying on of hands! I used to regularly minister this way after our meetings, people would receive an impartation and I too would be blessed. Is there an online equivalent? You tell them to lay hands on themselves! One guy was healed of sciatica.
 - We had a lady visit who was suffering from night-time demonic visitations. When we did an occult questionnaire with her she ticked around 10 boxes, (not unusual for Iranians)! After prayer she said that her extremities felt cold. Remembering that she'd been introduced to these things by her mother we then broke the spirit connection and she was set free resulting in undisturbed, peaceful sleep. Praise the Lord.
 - Praise the Lord that Sarah has a US visa and will fly on 10 August. Her and Binay plan to marry, post quarantine, on 22 August with us hopefully joining via Zoom. Their studies at Moody Bible Institute start on 17 August! Sarah will study an MA in Counselling.
